Disclosure Statement

The panelists do not have any conflicts of interest or relevant financial/non-financial relationships.

Not-for-profit organization established in 2018 with leadership from state health agencies, professional associations, and community coalitions, to facilitate collaboration and to improve outcomes

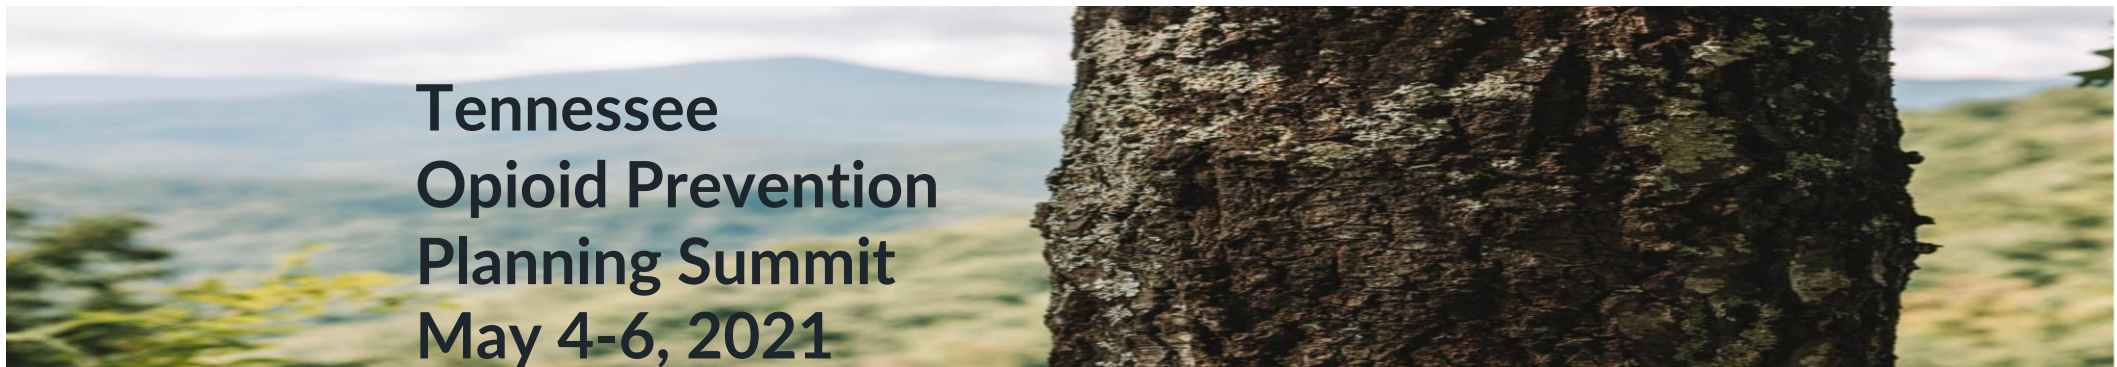

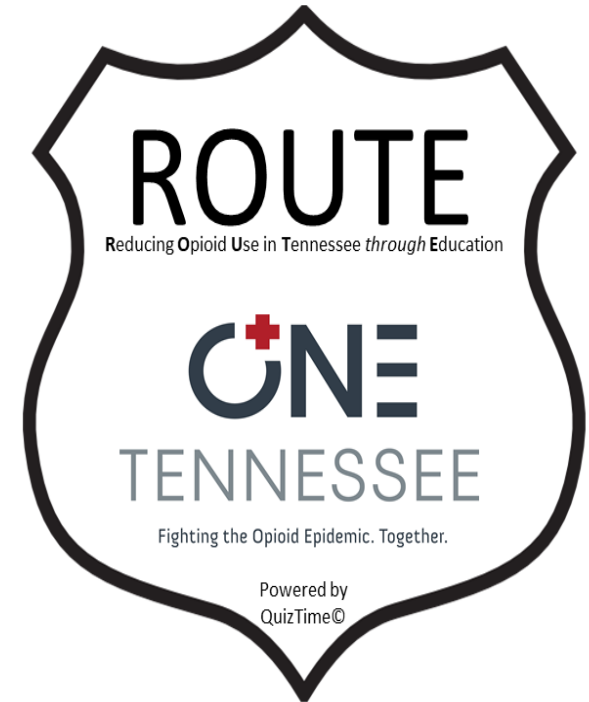

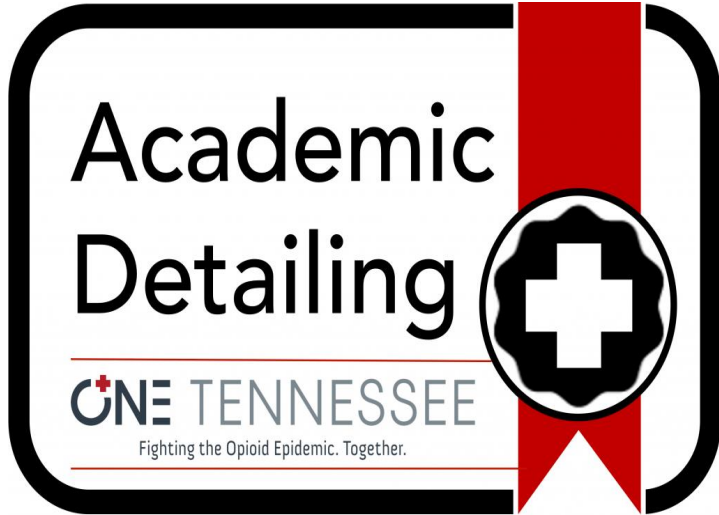

Committed to **collaboration, education, and coordination of patient-focused services** to prevent and address substance use disorder and overdose and to promote safe management of pain

For Tennesseans to enjoy better health and access to coordinated, effective health services delivered by trained professionals using **evidence-based clinical best practices**

Our Projects

Academic Detailing by the numbers

| | 2019 | 2020 | 2021* (projected through Nov 2021) |
|---|------|---------------------------|---------------------------------------|
| Detailers Trained | 20 | 17 new, 1 returning | 46 |
| Active Detailers | 5 | 15 | 23 |
| Detailing Sessions | 24 | 12 | 30 |
| Clinicians Engaged | 20 | 7 | 20 |
| Satisfaction (1=low, 5=high) | n/a | 4.65 average Range 3-5 | 4.65 average Range 3-5 |
| Practice Change likely | n/a | 2.5 of 5 | 2.5 of 5 |
| Naloxone info shared | n/a | 5 of 12 (42%) | 21 of 30 (70%) |
