Exploring Adaptations

To the AD Model

You'll be asked to move around and mix up!

You'll have a clinical topic to explore & create artistic responses to a challenge.

*Livestreamers, you'll do this in a breakout & make a virtual slide!
(You'll have our staff at your side!)

Work Together & Create!

1:20 - 1:45 p.m. *(25 minutes)*

Gallery Walk & Networking: See Everyone's Work!

1:45 - 2:00 p.m. *(15+ minutes)*

*Livestreamers:

Send Virtual Slides to narcad@bmc.org

& Network Virtually!

AD CASE TOPICS:

DETAILEE POPULATION, TOPIC, & LOCATION

TABLES 1 & 2:	ER Psychiatrists, mental health NYC
TABLES 3 & 4:	Emergency Med. Service Workers overdose response, Boston

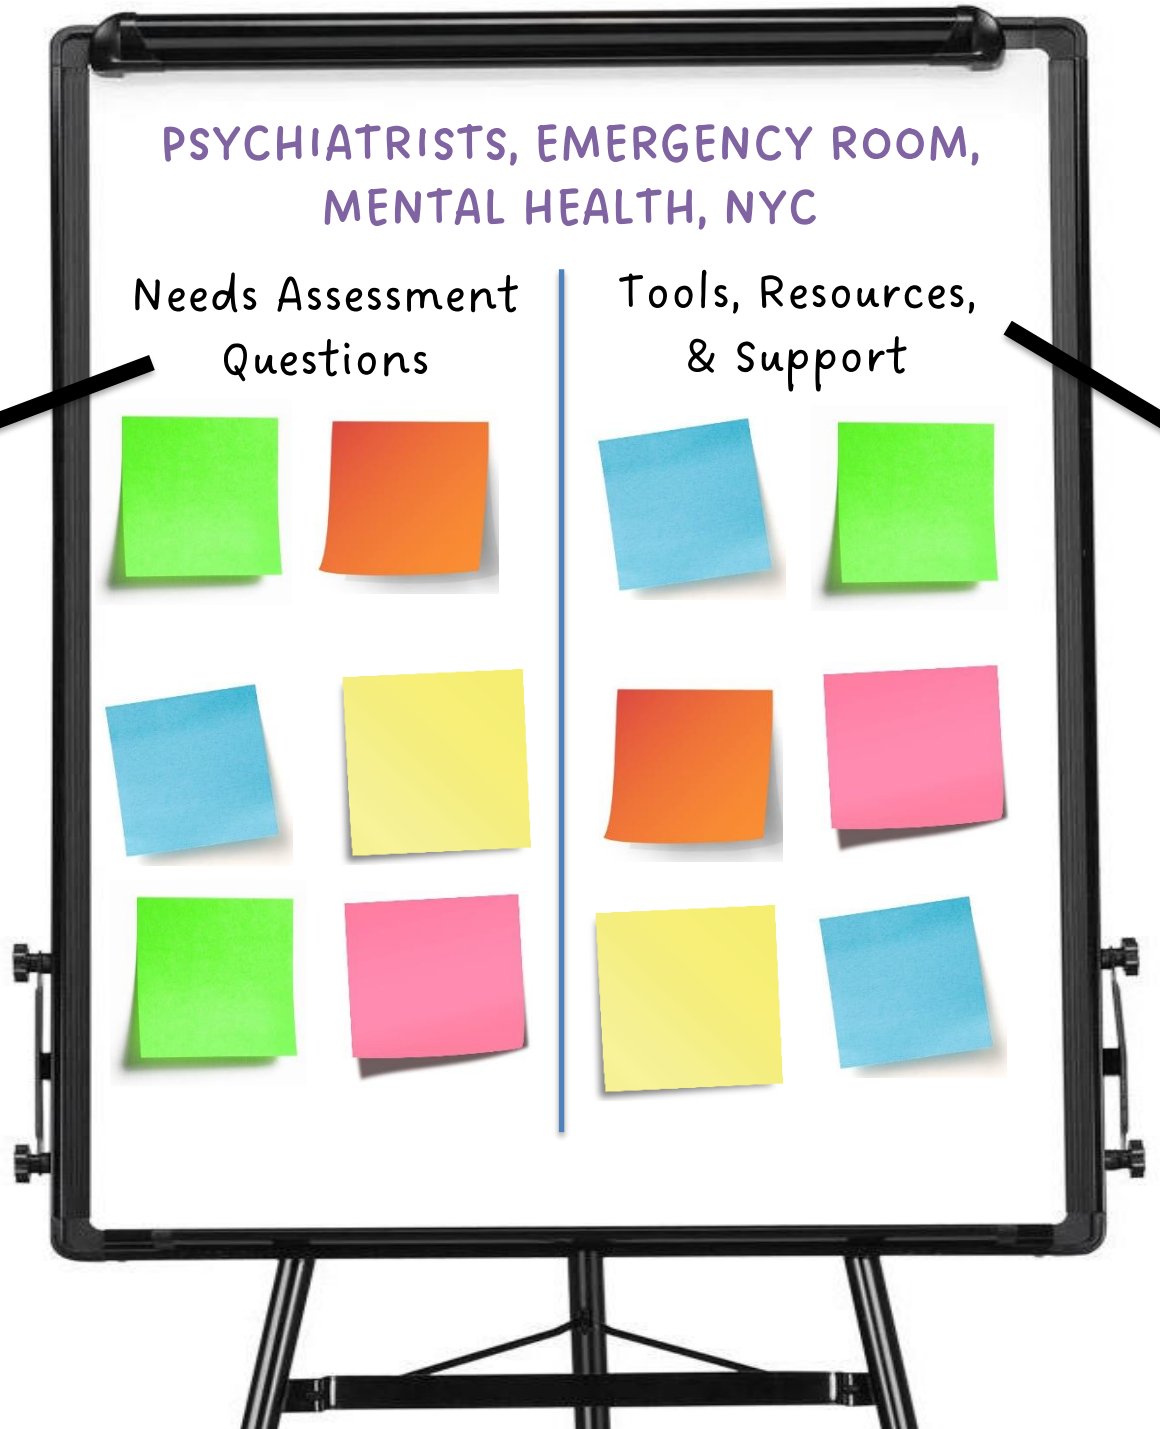
CONSIDER:
What questions will you ask the population you're detailing?



CONSIDER:
What would this population need to provide optimal care to their patients?

It's time to meet new people!

In Boston:

Grab everything you need and find a new table!

(Choose any table #'s 1-10)

LiveStreamers:

We'll put you in breakout groups shortly!
